

Plesh *Communication Plan* **Just Pleshure**

ARETI FERDERIGOU
KATIE BOGGS
ARIELLE HULST
TAMAR KLINKHAMER
CONSTANCE MERSMANN

Key Objectives

Build Brand Awareness

Educate on Value Proposition

Support Retail & Distribution Growth

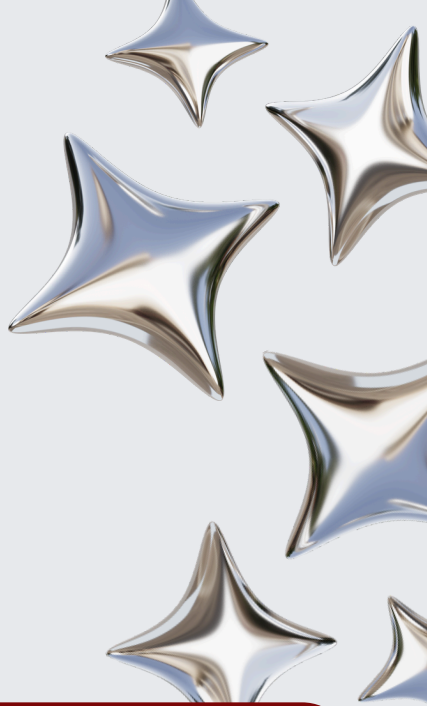

Drive Trial & First Purchase

Build Brand Credibility & Trust

Analysing **PESTLE**

Political

- **Geopolitical instability**
- **Sustainability & anti-deforestation laws**

Economical

- **Fuel & Energy Price changes**
Rising prices could affect people the coming six years.
- **Rising cacao prices**
Rising costs for raw materials

Social

- **Healthy eating trends**
Personal habits are transforming
- **The impact of social media**
Discover and purchase at the same app
Social media spreads food trends quickly (TikTok)

Analysing **PESTLE**

Technological

- **AI & automation**

Digitalisation

- **Pervasive Technology**

Improvement on consumer experience

Legal

- **ESG regulations**

Upcoming long-term sustainability initiative

- **Food labeling laws**

Set of rules for food labeling in EU

Environmental

- **Climate change pressure**

Climate change concerns
Rising pressure on the cocoa industry

- **Sustainable growth focus**

Eco-friendly food packages
ESG regulations

Analysing **SWOT**

STRENGTHS

- Clear differentiation: “healthy chocolate”
- Fiber-based sugar replacement formula
- Strong alignment with consumer trends
- Strong branding and investor backing
- Honest communication

S

WEAKNESSES

- Low brand awareness
- Limited product range
- Possible lack of believability
- Lack of distribution/retailing

W

OPPORTUNITIES

- Growing demand for healthy food in the market
- International expanding
- Collaborations and partnerships

O

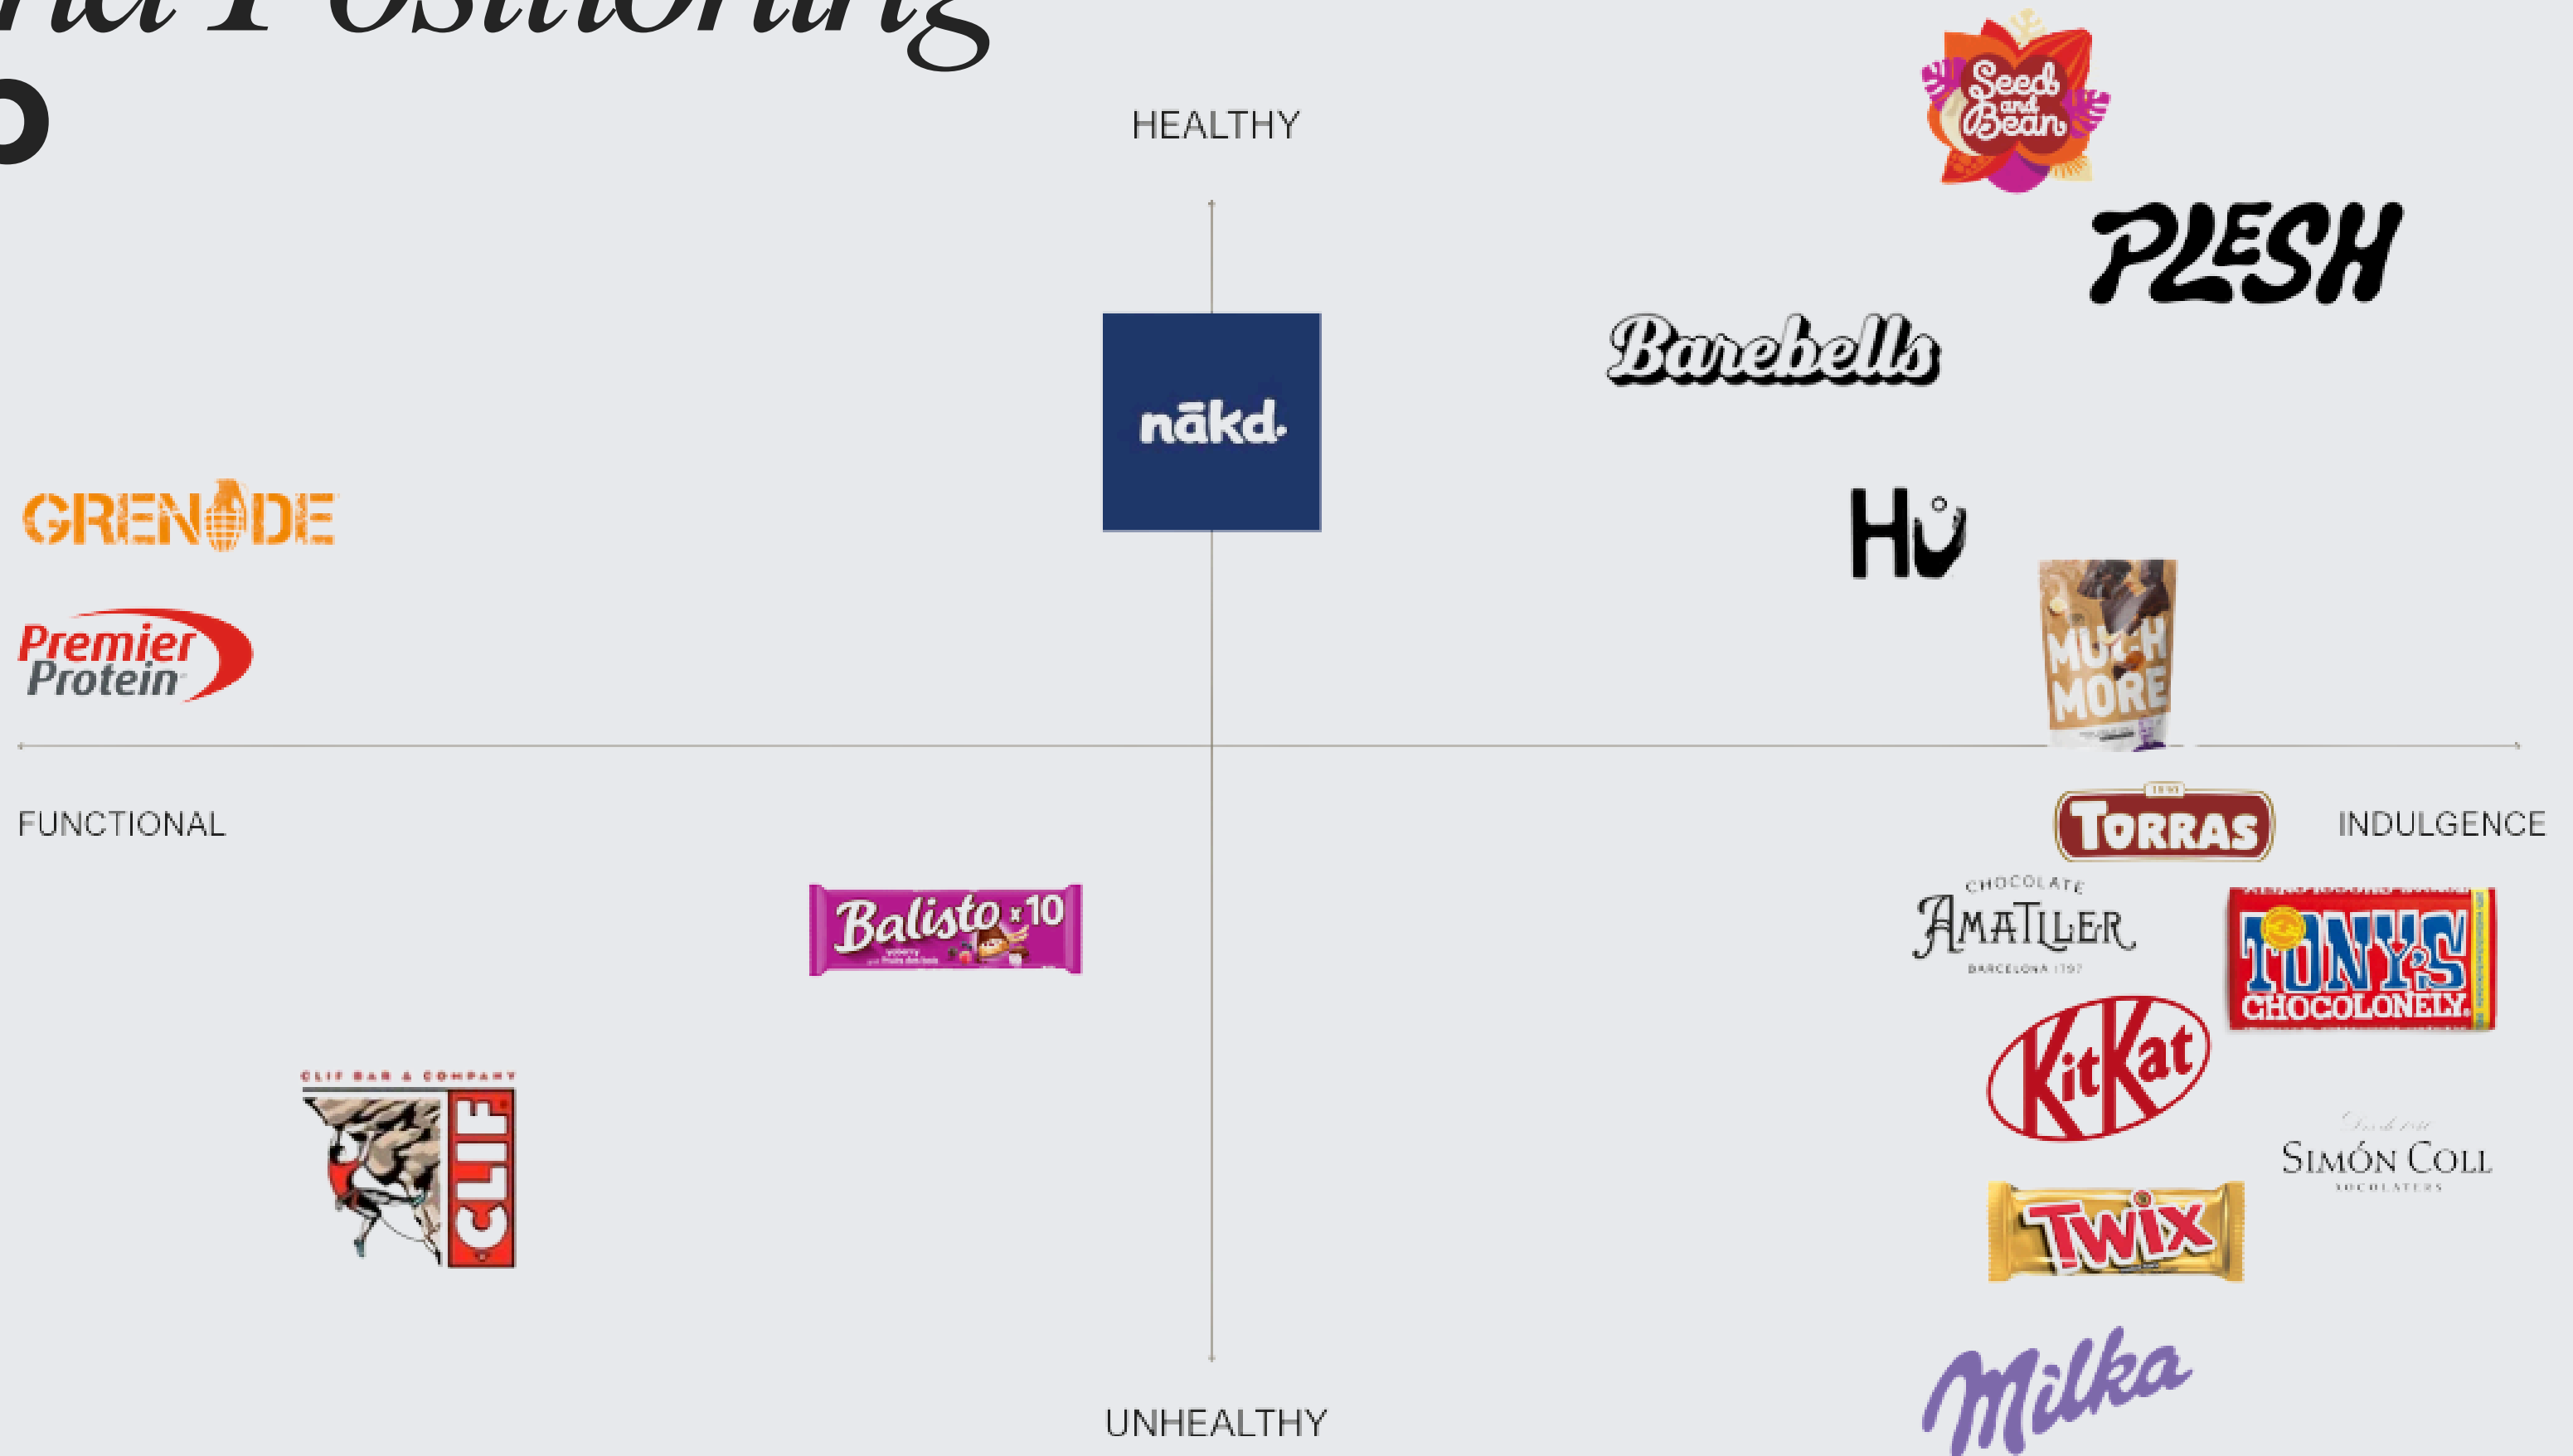

T

THREATS

- Strong competition
- Quick imitation possibilities
- Price sensitivity
- Trend sensibility

Brand Positioning Map

Competitor Analysis

Brand	Sugar Content (per 100g)	Protein Content (per 100g)	Fiber Content (per 100g)	Key Sweetener	Price (€)	Strengths	Weaknesses	USP
	4.6	18g	24g	Erythritol & Stevia	€2.00	High protein/fiber, gut friendly, modern branding	Low awareness, limited retail availability	Guilt-free indulgence without sacrificing flavor
	0.5g	5-8g	8-12g	Malititol	€1.50	Low price, high accessibility in supermarkets	Not gut-friendly, dated branding	Affordable, zero-sugar
	3.6g	36g	9g	Malititol & Sucralose	€2.60	High protein, high availability, popular in the fitness community	Artificial flavor “protein bar taste”, not real chocolate	High protein bars that taste good for the fitness community

Competitor Analysis

Brand	Sugar Content (per 100g)	Protein Content (per 100g)	Fiber Content (per 100g)	Key Sweetener	Price (€)	Strengths	Weaknesses	USP
	55g	6.5g	1.8g	White Sugar	€1.30	Iconic taste, creamy, globally known, low price	High sugar, palm oil, low satiety	“Pure dairy-milk indulgence”. Iconic taste
	16g	24g	7.4g	Cane sugar	€1.95	Local, clean ingredients	Not sugar-free, low availability (niche supermarkets)	Natural, olive-oil based chocolate, “Mediterranean” profile
	30g	7g	10g	Coconut sugar	€5.90	Ultra-clean, organic, vegan, premium	High sugar, very expensive	Cleaned, least processed brand on the market

Research on **Internal & External Segmentation**

Internal

- Geographic
- Product
- Channel and distribution

External

- Market context
- Demographic
- Psychographic
- Behavioural

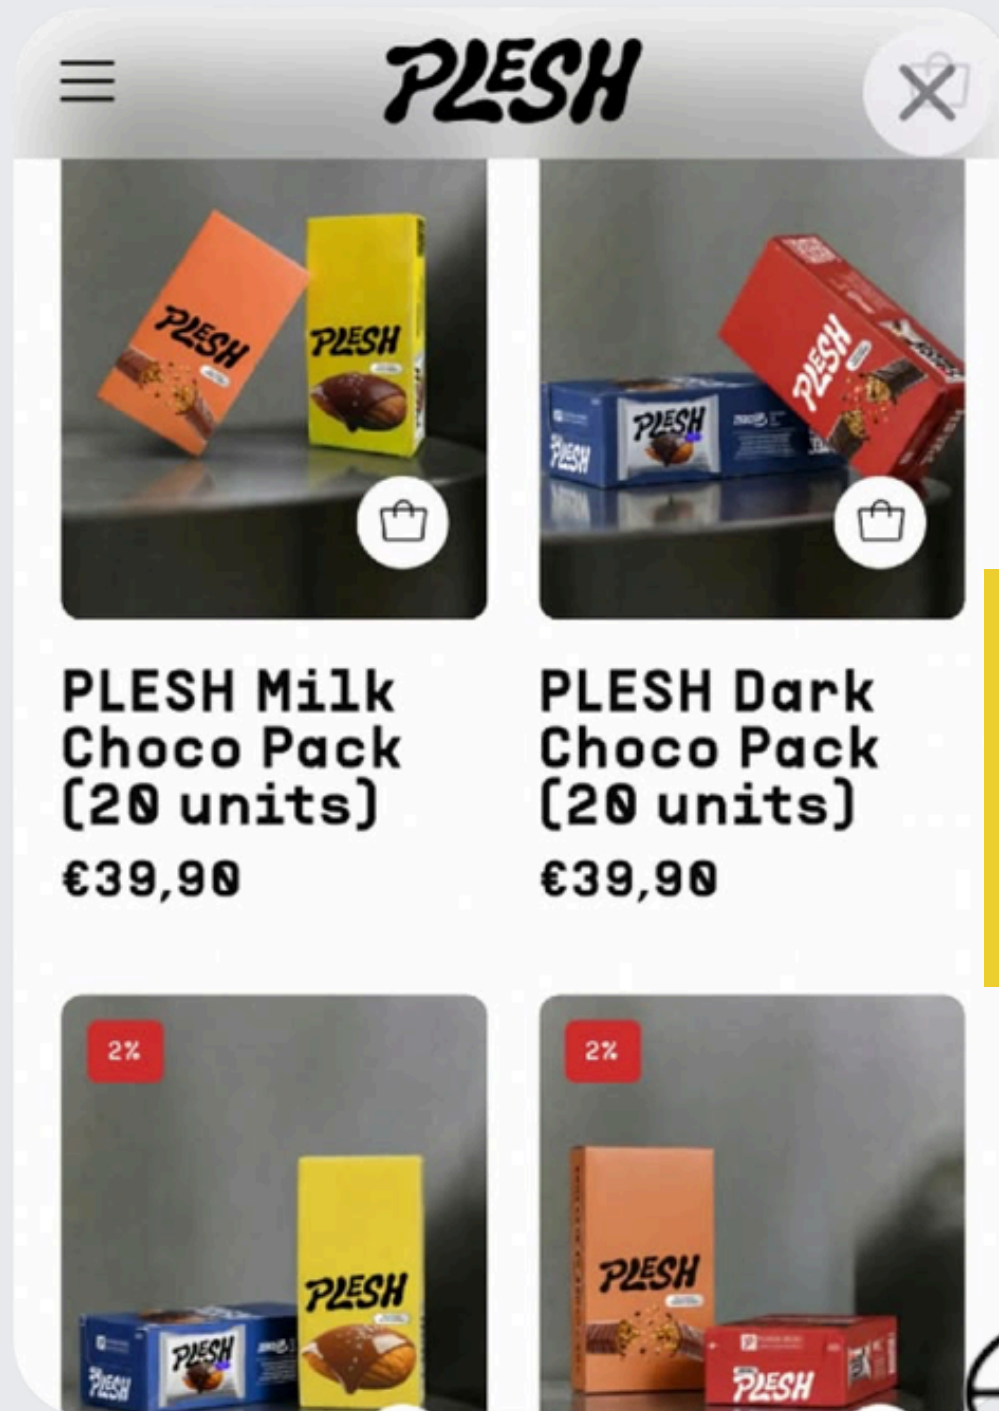

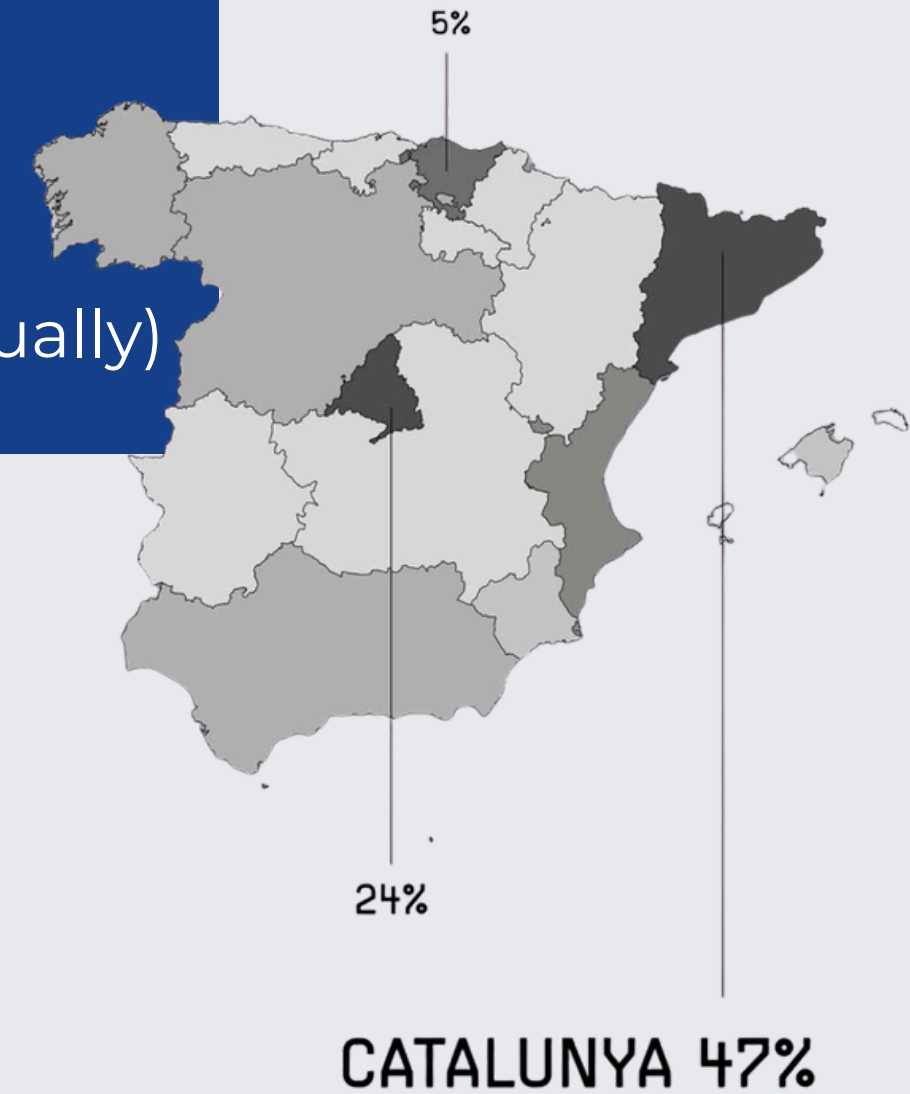

Internal Segmentation

Geographic

- Launch market
- National rollout
- International (eventually)

Channel and distribution

- D2C E-commerce
- Retail and supermarkets

Product

- Bars
- Gems (dragees)
- Functional profile

myplesh.com

External Segmentation

THE FUTURE
OF PLEASURE

Market Context

- Market size
- Trend tailwinds
- Competitive positioning

Demographic

- Age
- Gender
- Income level
- Education and occupation

Psychographic

- Lifestyle
- Values
- Attitudes toward food

Behavioural

- Usage occasion
- Purchase behaviour
- Benefits sought
- Loyalty drivers

GUILTY PLEASURE.
JUST PLEASURE.
@mypleasure

USD → 2.58 billion in revenue in 2024
Expected CAGR of 7.4% between 2025 and
2033, reaching USD 4.87 billion

Suppliers & Production

- Production in Spain (Vic & Lleida factories)
- Uses local ingredients

Financial Stakeholders

- Demium
- BStartup 10
- Industry entrepreneurs

Analysing Stakeholders

Extended investor network

- Gerard Pique
- Marc Gasol
- Rudy Fernandez

Brand amplifiers
Network enablers

Founders & Origin

- Jaume Betrian
- Juan Umbert
- Adria Colominas

Customers (Market Stakeholders)

Target: **Health-conscious consumers**

Core segments:

- Guilt-free snackers
- Balanced lifestyle consumers

What is Missing?

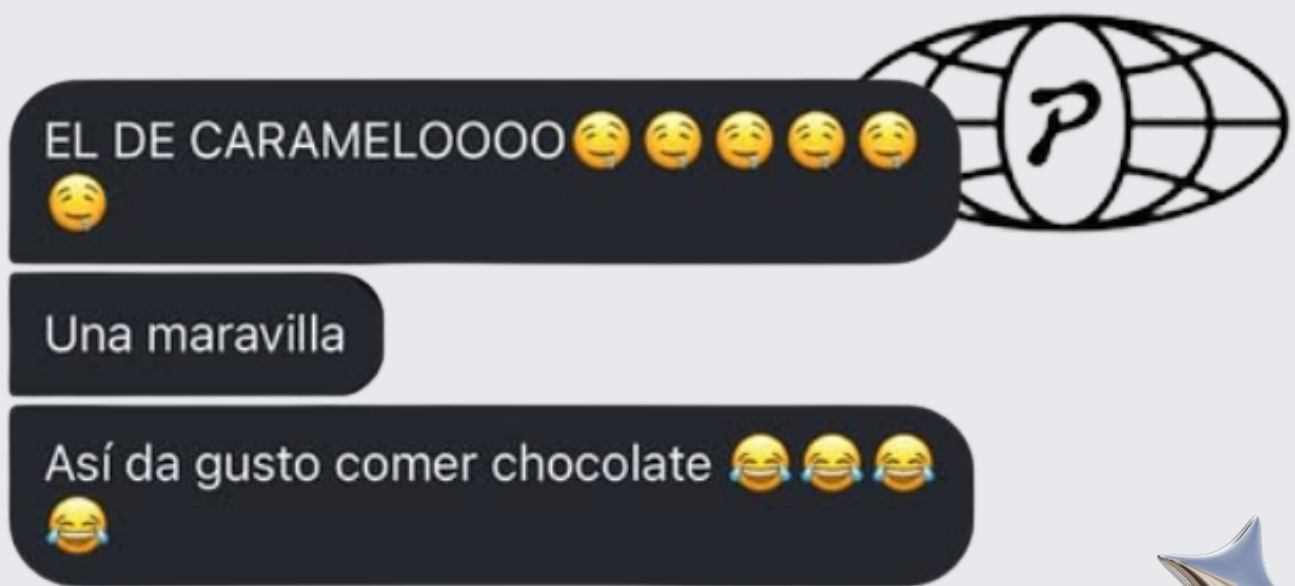

- Retail partners (detailed contracts)
- Marketing agencies
- Stakeholder maps

Key Insights

Positive insights

- Strong social branding and respond to trends
- Balancing flavour and healthy ingredients

Improvement insights

- Cocoa agriculture is under pressure → prices
- Weak distribution channel

Strategic line

- Continue with the brand representation, meanwhile, scale up distribution channels, and show where they are located.

Pleshure Moments

THE FUTURE
OF PLEASURE

Thank You For.
